MICRO SOCCER

Micro soccer is for children born in 2007

It is an 8 week program that focuses on introducing basic skills.

It is our strong belief that it is essential for young players to be provided with fun and meaningful soccer training with lots of touches on the ball.

Each one hour session will include a warm-up exercise, skills training through games, including scrimmages where the children can use the skills

The program will start January

It will run on weekday mornings.

Time: 10:00 am to 11:00 am

Fee: \$120 (includes 3 piece uniform)

Registration will take place in November. Dates & Times - TBA
